Renfrewshire Council free insulation offer

We have important news for householders in Renfrewshire: The Universal Home Insulation Scheme to help reduce your fuel bills and carbon footprint is now in your area.

This scheme is funded by the Scottish Government and is part of the Council's ongoing commitment towards the promotion of energy conservation and efficiency.

You can benefit from:

- Free loft and/or cavity wall insulation to be installed if your home is suitable regardless of household income.

And even if you don't need insulation, there are more free benefits:

- Free home energy report giving an energy rating for your property
- Free impartial advice to help reduce your fuel bills through the Scottish Government's Energy Assistance Package
- Free home energy visit from one of our friendly assessors to help you obtain the best deals on gas and electricity, understand and simplify fuel bills, tariffs and meter readings, as well as act on your behalf with utility suppliers, to deal with fuel arrears and payment plans.

This is a time limited offer. Call the Home Energy Scotland Hotline free on 0800 512 012** (quoting: RenfrewshireUHS_2011) so you don't miss out.

**Calls from landlines are free. From a mobile call 0300 456 2655 to be charged at network rates.
