**Scottish Registered Charity No SCO16177**

## **Minister's Letter**

### **Dear Friends,**

Paul writing to the Church in Rome shares a word of challenge and encouragement when he says **“Never be lacking in zeal, but keep your spiritual fervour, serving the Lord. Be joyful in hope, patient in affliction, faithful in prayer.” Rom 12: 11-12**

The message is as appropriate to the congregation of Calder Church at the end of 2010 as it was in first century Rome in a small challenged church. We are aware of the struggle before us in our God-given task of proclaiming the Gospel of Jesus Christ and being a worshipping and serving people. Through 2010 we have been blessed in many ways and on numerous occasions knowing that God has been with us.

### **Worship**

It has been a pleasure to lead worship Sunday by Sunday before a congregation who are attentive and keen to worship God. Our musicians continue to encourage us to praise God and on a few occasions we have been helped by the augmented choir and the ABCs. Those who read the Bible and lead prayers contribute to our services in a meaningful way. It is also good to have Moira Frew, Nicky Kyle and Laura McKenzie ready and willing to take services when I am away. The joint services, parades and Sunday School Prizegiving and Nativity provide a rich variety of worship opportunities.

### **Pastoral Care**

The Pastoral Care group met during the year to look at how its work can be expanded. There is a real need for volunteers to help with visiting the housebound and those members resident in Care Homes. We were pleased to welcome Nicky Kyle back to

the group and know he will be a great help in pastoral support. Please consider giving an hour or so to this vital work.

### **Youth Work**

Faithfulness is the word that immediately comes to mind when I think of our youth work. In November the congregations and community were able to give thanks for the faithful service of Murray Lawrie on his retirement after 50 years as Captain of the 1<sup>st</sup> Lochwinnoch BB Company. Christine Murdoch asked our youth leaders to stand if they had served for 10+ years, 20+, 30+, 40+, 50+. As we looked on we became increasingly aware of the men and women who have given so much to share the Word of God with generations of young people in the village. There is no doubt that we need to pray constantly for the young folk and their leaders.

### **Mission**

In all that we do as a congregation we desire that men and women, young and old will come to know Jesus Christ as their Saviour and Lord. Whether we invite folk to a church service, meeting, fellowship group, Summer Club or event we pray that God will touch them and bless them. We continue to explore ways of creating relaxed opportunities for people to ask questions and learn more about faith and God. The congregation has continued to support a number of mission and care organisations by financial giving and prayer.

### **Spiritual Growth and Fellowship.**

Food and fellowship is a common feature of life in Calder Church. If you enjoy a cup of tea or coffee with biscuits and cakes they are nearly always available. We provide a cooked breakfast and even meals if you attend the Sunday Evening Fellowship, Women's Association, Men's Breakfast or Food for Thought. The food is accompanied by speakers, Bible Study and/or discussion and the occasions are enjoyable and beneficial.

The numbers attending all of these groups have remained stable over the past year. The opportunity for prayer is there every Wednesday when our Church is open to all.

It is our prayer that we will worship and serve God with increasing zeal and spiritual fervour in the year ahead.

**Archie Ford**

### **400<sup>th</sup> Anniversary of the King James Bible**

“And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid.”  
Luke 2:9 .

I love “sore afraid” in this very expressive verse describing the angel coming to the shepherds. I am sure those of us who grew up with the King James or Authorised Version carry many such wonderful verses in our minds. The words have become part of our language and added to its richness:

- Fat of the land.
- The apple of his eye
- Fly in the ointment
- Skin of his teeth

It was on the 2<sup>nd</sup> of May 1611 that the King James Version of the Bible was first published. The Reformation had brought with it a great desire that the Bible would be available to everyone in his own language. Here was an English translation that would be

printed and read by all who wanted to learn about God. The Bible was no longer restricted by scarcity or language to Latin scholars or priests.

Over the centuries it would be found in almost every home in the land and would be read regularly in many. Burns image in “The Cotter’s Saturday Night” is of the honest working man sharing the Word of God with his family. A man who wanted his whole family to hear it, learn it and grow by it. The nation turned to the Bible for guidance and inspiration in how to live as a community. Again the Bible provided what we would now call sound bites:

- Straight and narrow
- Salt of the earth
- Turn the other cheek
- Go the second mile

Sunday by Sunday over this year we will include a reading from the King James Version. This will allow us to enjoy its power and poetry. We will also read from modern versions that provide understanding and clarity. At home you may want to compare them and allow the words to bless your lives.

Let us pray that every home will recover the desire to read God’s Word and that the Bible will once again find a central place in our lives, homes and land.

“And ye shall know the truth, and the truth shall make you free.”  
John 8:32

Archie.

## **Youth Visit from Southern Africa**

In early August a group of young people will be visiting Scotland. They will come from Botswana, Mozambique, Namibia, South Africa and Zimbabwe and are all members of the UCCSA (United Congregational Church of Southern Africa) who are overseas partners of the United Free Church of Scotland.

A few years ago some of our young people went to Southern Africa to help build an orphanage in KwaZulu Natal and a playground for children who attend the Lephoi Centre for the Blind in Botswana. This year the youth team from UCCSA are coming on a reciprocal visit to help with some outreach programmes here in Scotland. In these programmes the 12 young folk from Africa will combine with 12 young people from United Free Church congregations.

Part of the team will be in Lochwinnoch from the 7<sup>th</sup>- 14<sup>th</sup> August to take part in our Annual Summer Club. It is planned that the team will also lead work with the teenagers of the village. The group consist of a number of musicians and singers and a concert is planned to be led by the group on an evening. This is very exciting and a great opportunity to share the Gospel with people of all ages in Lochwinnoch.

We are looking for volunteers who would accommodate one or two of the young people over the week. They are lovely young folk and will be out and about much of the time. If you could help with accommodation or would like to know more please contact Archie Ford.(01505-842405)

Thanks in advance for your help and please continue to pray for the whole visit.

Archie Ford

# REPORTS.

## KIRK SESSION REPORT

The Kirk Session continues to meet bi-monthly to discuss the spiritual life of the congregation. During this past year we have had many and varied discussion about working together with our friends in the Parish Church, the progress and concerns in all the organisations – mainly lack of leaders and many other issues. All the youth groups have an annual visit from an elder from each of the two churches. The elders report at their March meetings. We hope the groups find these visits encouraging and we are always available to support and help in any way we can. We give thanks for the faithfulness of all those who work with our young people.

It is encouraging from the Annual Statistical Return that numbers attending the various groups and organisations remain fairly stable. Many of these groups have been running for a number of years and we are thankful for the faithfulness of those who organise the meetings and for those who attend them.

A recent concern has been the number of adverts on television for online gambling, in particular for Bingo. Our concern was expressed to the Church and Society Committee who will be discussing it at their February meeting and may decide to register the concern as a denomination. In the meantime individuals can express their concerns to Ofcom which is the regulating body for television. The more individuals who contact Ofcom, the more likely they are to take notice of what is being said. The contact details are:

Ofcom  
Riverside House  
2a Southwark Bridge Road  
London  
SE 1 9HA

<http://www.ofcom.org.uk>

If you feel, as we do, that this type of advert should have the same tight controls as those for smoking and drinking and that they should be proportionate and honest about the actual possibility of winning, then please let them know.

We continue to give thanks for Archie and we work to support him in any way we can. I'm sure, as a church, we all know that we have a very valuable asset in our minister, not only for our Church but for the village, but if you have read the Treasurer's Report we may not be in the same position in a few years time.

Please remember our minister, the Kirk Session, Committee of Management and all the groups and organisations in your prayers throughout the year.

Janie Andrew

## **COMMITTEE OF MANAGEMENT**

As in previous years this a summary of work carried out throughout the year.

### **Church Grounds**

Overhanging branches of the beech tree local to Lochlip road were cut back to give clearance for road vehicles, work was carried out by Mr. McIntyre and Mr .W. Arthur.

Overhanging branches of cherry trees at the front door of the church were cut back, work was carried out by J. Mair.

### **Portacabin**

Painted internally by W. Arthur and a new carpet laid down.

### **Church**

Front doors of church were painted with wood sealer by R. Fulton at no charge to the church.

### **Hall**

All external windows and doors were painted, work was carried out by R. Fulton.

### **Quinquennial Visitation**

This took place in March and was conducted by the Rev. T. Ireland and two elders. Several questions were asked regarding the buildings and finances etc. We were able to give a satisfactory answer.

### **Manse**

The committee have been looking into the possibility of upgrading and improving items in the manse. These will be looked into and fully discussed at the Annual general Meeting to be held on Monday 7<sup>th</sup> February at 7.30 in the church hall.

My grateful thanks goes out to all members of the committee for the support they have given me and the work they carried out on behalf of the church.

Ronnie Thomson (Preses)

## **EDUCATION GROUP**

The Education Group promotes opportunities for the Christian Education of the congregation and friends. The main focus for the last 12 years is Food For Thought. It certainly doesn't seem possible that we have been meeting, eating and learning on the last Monday of the month for all these years. We have had a variety of topics discussed and many speakers returning to share their knowledge with us on a number of sometimes tricky subjects. I'm sure, when the speakers see our minister approaching them with a list of subjects and dates, they know they are in for some awkward and thorny issues.

Burnt Offerings, Men's Breakfast, Evening Fellowship, Mission Table at the Fete and Gala Day are all continuing. Thanks to Julie Graham for her principal role in organising the Mission Table and to Mark Brown for publicity materials.

The Group meets usually once a year (in June) to review and discuss the various opportunities available for us to discuss and share our faith – if you have any ideas for topics for Food for Thought or would like to join our discussion – you'll be made very welcome

Janie Andrew

## WORSHIP GROUP

Another year has passed and once again we would thank all those who have given of their time to take part in the services on a Sunday morning. Thank you to the musicians, readers and all who are in the choir, which we now have on an occasional basis.

I was looking at the bible story of the creation of the world and how God, after he had made everything, decreed that we should have a day of rest in which to do no work, a day to gather together to praise God and refresh our lives. As I think of my own life nowadays, I realise that I have lost the ability to have a whole day without doing something. I have less time to sit and reflect on what God has done for me, to meet together with friends and worship our maker, our saviour, our friend. I am so glad that on a Sunday for at least an hour, I can leave the world at the door of the church and concentrate on worshipping God with you all. I think of the doxology, which goes as follows

"Praise God from whom all blessings flow,  
Praise him all creatures here below,  
Praise him above ye heavenly host,  
Praise Father, Son and Holy Ghost."

Join with us in 2011 in praising God. Help us as a group to assist you in your hour of worship on a Sunday by letting us know of hymns old and new that you would like us to include in the service. If there is something in the scriptures that you would like us to explore for you, again let us know. Either give us a note of the hymn or topic, or speak to Archie, William or Moira about it and we will see what can be done.

Thank you all once again for your assistance.

Moira Frew

## **WOMEN'S ASSOCIATION**

Over the past year we have had several very interesting speakers covering a range of experiences in their lives, with Nan Morrow in Kenya, Major Wing and the work of the Salvation Army, Rev Maureen Leich and the Barrhead Churches Summer Club.

In August three of us visited the Glasgow City Mission's new building. Then Ian McPhie from the Mission came and spoke of the work they were doing in the city and how vital it is. The Leprosy Mission also updated us on their work and brought a Christmas Gift table with them in November.

Unfortunately the long awaited Carol Concert with the Salvation Army never happened. The weather saw to that in December, which was disappointing for all of us.

We have had a good attendance throughout the past year, hopefully we can maintain this.

Also in the past year some of us have continued to attend the three Presbyterial Rallies, of which I am Convener for the next two years.

Ladies' Day at the General Assembly was attended by five of us, and Mrs Graham continues to represent us at the weekend Conference in October. I also serve on the Women's Home and Overseas Committee which I feel is a great privilege.

So women still play a big part in the U.F. Church. We would appreciate your prayers and support as we hope to continue in this work.

New members are always welcome, meetings are informal and we have time for a cup of tea and a chat.

Elizabeth Martin  
Secretary.

## **Fundraising Committee**

### Summer Fete

Our Summer Fete was held on Saturday 5<sup>th</sup> June; The fantastic sum of £1946 was raised which was the highest amount for a good few years. A special thanks has to go to Linda Lewis and Bill Thomson for their super Garden Stall which alone raised over £450. It will be hard to follow that this year but we look forward to June.

### Christmas Fayre

Our Christmas Fayre was held on Saturday 20<sup>th</sup> November. Mark's van was loaded up at the church and driven to the McKillop Hall. It is always amazing to see how quickly the tearoom and stalls are set up ready for customers. As usual the stalls were loaded with donations and over the morning the amount raised was £1395. Thanks to everyone for their help and donations over the year, especially the craft group who made lots of terrific items for selling on our stalls. We will let you know the dates of this year's Fete and Fayre in the very near future. We are always looking for new members and anyone wishing to join us would be made most welcome.

Irene Arthur.

## **THE ABCs**

We have twelve members at present.

During 2010 we spent a great deal of our time fundraising.

We raised £236.00 for Mary's Meals by organising the Mission Service and having lunch afterwards. We repeated this in the Parish Church a few weeks later and raised £180.00.

We also organised a "Bell Ringing Evening" and had supper afterwards which raised £350.00 also for Mary's Meals.

In June we organised a Sponsored Walk around Millport in aid of Breast Cancer Research and raised a total of £748.00.

As usual we organised the Watchnight service on Christmas Eve something we enjoy doing very much.

As well as having our Sunday evening meetings which include bible study and discussion, we have visited several churches including Glasgow Cathedral and St George's Tron to experience different forms of Christian worship. In November we visited Clarkston Synagogue. We also attended the Praise Gathering Concert at Glasgow City Hall in June.

We hope to visit other churches during this session.

We will be having a lunch of soup, rolls and homebaking after the service for Mission Sunday on 27<sup>th</sup> February and hope the congregation will be able to join us.

Thank you for your continued support.

## SUNDAY SCHOOL

So what is Sunday school? Dictionaries vary:

- A school, generally affiliated with a church, that offers religious instruction for children on Sundays;
- Sunday school, institution for instruction in religion and morals, usually conducted in churches as part of the church organization but sometimes maintained by other religious or philanthropic bodies.

Said to be first started in 1780 by the English philanthropist Robert Raikes it was primarily for poor children, who were taught to read and to spell to enable them to read the Bible.

It's changed! We are still here to teach the children about the bible, but hopefully in a more relaxed and fun way.

We have 23 children in the Sunday school at present supported by 6 teachers and 2 young helpers. The younger ones, preschool and P1 are taught in the portacabin behind Calder Church and concentrate on the traditional bible story such as Moses and Noah. The older ones meet in the Parish halls every Sunday, where we run two groups split by age and use the Scripture Union Light programme, using everything from games to role play to teach and learn.

“Light equips children, young people and adults to know

Jesus Christ, to learn from God and to live boldly for him”

Part of church life is giving and the Sunday school is no exception. We continue to support Babou Faye, our adopted

child in Senegal. He continues to do well and we are truly grateful for the support we get each year from both churches through our Harvest Thanksgiving lunch which helps to provide the £200pa we need to support him.

We also continue to support the UF Easter Scheme, this year supporting Asia Link in North Korea. Again many thanks for the additional support given by the Calder congregation in this.

The children really enjoyed leading the Nativity service at Christmas time and enjoyed a traditional party following this. We are looking forward now to 2011 and planning a trip to Bible World in Edinburgh before the summer.

Finally, my annual plea. For over 230 years since Robert Raikes first envisaged a Sunday school, churches have continued to educate the young. This is a vital part of church life but for it to continue we need new ideas, new faces and new teachers! Please if you can spare some time, even one Sunday a month to assist, contact us. Thank you.

Lynne Harley

## **THE BOYS' BRIGADE**

Many of the Boys in our Company come from families with little or no connection with either Calder Church or the Parish Church and this means that the work of the Boys' Brigade is a vital part of the mission work of the churches in Lochwinnoch.

There are around 50 Boys regularly attending on Tuesday nights split across the 3 sections. For the first time this year the Anchor Boys have accepted boys in Primary 1 and this resulted in a large intake of new boys who hopefully will progress through the other sections in the coming years. Boys stay in the Anchors whilst they are in Primary 1, 2 and 3. The Junior Section caters for Boys in Primary 4, 5 & 6 and then they move into the Company Section from P7 onwards.

At Remembrance Sunday last November tribute was paid to Murray Lawrie who stepped down after many years as Captain of the Company. Murray Lawrie was made an Honorary Captain of the Company which is a fitting tribute to a man who touched the lives of hundreds of Lochwinnoch Boys over the years. It is only as we have progressed through this session that we have realised the many things that Murray carried out week by week which were unseen and unknown to many of the BB staff.

Fortunately some new people agreed to join the staff and 9 BB Staff from Lochwinnoch have completed Youth Leader Training and working with under 5 year olds during the current session.

The Annual Display is planned for Friday 20<sup>th</sup> May and the McKillop Hall.

The object of the BB starts with 'The Advancement of Christ's

Kingdom amongst Boys' and ends with 'a true Christian Manliness'. Over the years many young men have attained true Christian manliness as a result of their years in the BB.

Please remember The Boys' Brigade and in particular all the leaders, existing and new, in your prayers, so that in the coming years the Boys' Brigade can truly say that we are advancing Christ's Kingdom amongst boys in the village of Lochwinnoch.

Mark Brown

## **THE GIRLS' BRIGADE**

For Badge work in session 2009/10 our Explorer Section (Primary 1-3) enjoyed exploring the theme "Bread" through Bible Stories, making things with dough to learn new games. The Junior Section were learning about stories Jesus told, making crafts from new materials and junk, finding out about different ways to communicate and playing team games. The Brigaders (Sec 1-5) looked at the Christian calendar, people with special needs, how to look after themselves and also had fun with different games.

In May our Explorers enjoyed a "Fun day" in Port Glasgow with girls from all around this area. This was organised by GB Scotland on a "Hawaiian" theme. The girls travelled by coach and a super day was had by all.

In June the juniors had their annual camp weekend in Ayr. As usual the weather was mixed, but it does not keep us in and the girls enjoyed swimming, shopping and all the various activities of camp.

Some of our Brigaders are working for The Duke of Edinburgh Award and there were expedition weekends at Muirshiel and Perthshire for our Bronze girls and the area around Braemar for our Gold. (4 days on the hills.) A few of the Brigaders also enjoyed a trip to Alton Towers organised by GB Scotland and attended by girls from all over the country.

Our congratulations go to Ami Oliver and Kirsten Holmes who achieved their Duke of Edinburgh Silver Award and Chloe Patterson the Millennium Volunteer Certificate for two hundred hours.

We are now well into our new session and work is ongoing. At the end of December we had on the register 21 Explorers, 26 Juniors and 14 Brigaders.

Margaret McKinlay.

## **A TIME TO LAUGH.**

In the Book of Ecclesiastes in the Old Testament, chapter three and in verse four, we are reminded that throughout life "there is a time to weep and a time to laugh." The Bible also mentions in more ways than one that while Christianity is a serious business, it is not devoid of joy and laughter. And yet there was a time, not completely at an end yet, when it was heresy to make a congregation laugh despite the fact that the words joy and laughter are closely related.

Some months ago, I was given an article that appeared in one of our national newspapers. The article highlighted that some churches in the North and West of Scotland were devoid of joyful hymns and laughter. Religious people, especially those given to over – earnestness, need to discover that while there is a difference between being serious and being solemn, God wants us to be serious but I don't know of any place in the Bible where God commands us to be solemn, to have a miserable look.

Joy is the birthright of every believer, knowing that they are saved because Jesus is their Lord and Saviour. Heaven will be their eternal home, this should be a source of endless joy. But there will be times when we will have cause to weep. Maybe that is why God gave us tear ducts.

"A cheerful heart is good medicine " says Proverbs 17 verse 22

Nicky Kyle.

**Love those Church Ladies..** They're Back! Those wonderful Church Bulletins! Thank God for church ladies with typewriters. These sentences (with all the BLOOPERS) actually appeared in church bulletins or were announced in church services:

The Fasting & Prayer Conference includes meals.

---

The sermon this morning: 'Jesus Walks on the Water.' The sermon tonight: 'Searching for Jesus.'

---

Ladies, don't forget the rummage sale.. It's a chance to get rid of those things not worth keeping around the house. Bring your husbands.

---

Don't let worry kill you off - let the Church help.

---

Miss Charlene Mason sang 'I will not pass this way again,' giving obvious pleasure to the congregation.

---

Next Thursday there will be tryouts for the choir. They need all the help they can get.

---
